Bessemer Vigilance Committee Newsletter  
Editor: Midnight Oil

February 10, 2010

The shoot last Sunday was great—warm, sunny and no wind. Just a bit of mud from the wet snows on Saturday. We shot 4 stages with nine shooters.

We are still working on the Jailbreak; we should have more to go on next month. We have decided to have the banquet at the Shiners' Hall again—it is booked for the Jailbreak weekend. Also, the shoot fees will be reduced; WT Cookie is working on finalizing the registration form. We still need volunteers for the Jailbreak stage designers, set up crews etc. —please let us know if you can help!

J.R Dalton has suggested we schedule a special meeting to go over the SASS rule changes. There have been a number of changes in classes. We will send a notice when we set a date. This would be especially helpful for RO 1 & RO 2's.

We discussed moving the April shoot, as it falls on Easter Sunday, but decided to keep it on that day. We need some volunteers to design the April shoot—we will switch to 4 separate stages; the weather should be good enough by April - as opposed to setting 2 stages through the winter months.

The Annual Casper Friends of NRA fundraising banquet is coming up in April; it is a very beneficial program that has enhanced the Stuckenhoff Complex and helped build the Cowboy Range. Please support the cause and attend the dinner if you can!!
