Bessemer Vigilance Committee Newsletter

January, 2010

Greetings!! Hope you all had a good Christmas and New Years. We had some miscommunications for the January shoot, but it all worked out fine. While I was setting up at the clubhouse, M R Fearnot was setting a stage at the outdoor range. The temperature was not that bad and there was no wind. The eight of us shot two regular stages, picked up the targets and then moved to the clubhouse and shot one man on man match, and a team shoot. We learned we could do some limited shooting out of the port-holes in the nastiest of weather and also that we definitely want to use the rope reset targets if anyone else is on the range. We had a good meeting and discussed the fence and shade project as well as the Major shoots. Mark your calendars and plan on a great year of shooting. Next shoot is scheduled for 2-7-10. The Law dogs / Cowboys shoot will be June 27, Jail Break July 23-24-25, and Hells Half Acre shoot is scheduled for September 4-5( Labor Day Weekend) Camping on eve of 3rd and 5th if you like. Tentatively the Jail-break will be more family friendly with maybe a barbecue rather than a Banquet Hope to see you all in February. I will be talking with Ghost Town Shooters about scheduling the 3rd Sat P M shoots for March through November. Remember to keep your powder dry.

PS don't forget the gun show Feb 27-28, at the Stuckenhoff Shooters Complex Main building.

The Bessemer Jail Break shoot was down a bit in numbers last year, so we are looking at changing the format slightly. We need some input from members about the shoot; do we want to continue to have a 2 day shoot? Some suggestions at the January club meeting were to possibly return to a shoot open only to WYSASS shooters. Also, have a pot luck BBQ , instead of a formal banquet. Regardless of the format, we need more participation from the BVC, both as shooters, and as volunteers to run the shoot. We need to establish a shoot committee to get going as soon as possible. We will have a meeting following the February shoot, please attend if you can. If you cannot attend the Feb shoot & meeting, and you have some input, please email me at [jpgudgeon@yahoo.com](mailto:jpgudgeon@yahoo.com) , or call me at 307-235-1836. We need more people involved to continue having a good shoot.
